## **Top Picks**

**2023 January – February Edition**

(Inaugural Edition)

In our 2021 Newsletter #21-2 we introduced our complementary **Art Advisor Service**.

See all of our newsletters on our web page at: [parkvilleframegallery.com](http://parkvilleframegallery.com).

Starting in January 2023, as an additional feature of our Art Advisor Service, we are introducing our bi-monthly **Art Advisor's Top Picks Program**. Our Art Advisor will introduce museum-grade reproductions of some of the best art that has ever been created. These reproductions are available for purchase from reputable vendors on either high-quality fine art paper, or on canvas, and they are available in a variety of sizes. Our Art Advisor will also offer suggestions for "original" art, sculpture reproductions, photographs, maps, vintage prints, postcards, posters, etc.

Please contact us before placing an order with any of the vendors shown below. We may already have materials available, either framed or unframed.
